

BARCAMPNOLA 9

July 16, 2016

BECOME A SPONSOR

YOU KNOW YOU WANT TO!

BAR WHAT?

BarCampNola is a local incarnation of the international network of user generated conferences called BarCamps. It is an ad-hoc gathering bringing talented people together in one location to exchange ideas, build connections, and launch shared projects or initiatives. Best of all, it's free to attend!

"The experience of BarCampNola is one that will leave you re-energized whether you're a newbie or a vet. Now a local tradition, BarCampNola showcases the amount of talent and the sense of community that oozes out of the NOLA tech scene." NewOrleansTech.Net

WE NEED YOUR SUPPORT

Your generous support pays for food, stickers, t-shirts and an after party. None of the event organizers are paid. All of the money you give goes 100% towards the event.

LAST YEAR, BARCAMPNOLA 8 FEATURED OVER 120 ATTENDEES!

ALL EYES ON YOU

We strive every year to highlight our sponsors as often as possible. Here are some examples:

- Logo will be featured on our epic website.
- Logo will be printed on the back of the famous T-shirts you see around town.
- We will send you some social media love tweets, grams and posts.
- Mention and display your logo at BarCampNola 9. Around 150 attendees expected.

The max donation this year is \$500.
